### **Agenda Item 1: Pupil voice: what do we love about High Bank?**

- We learn a lot of things – especially in maths
- Our community is great – very supportive
- We get to go to different places such as London and the church
- Lessons are fun
- I love phonics
- We make friends
- Teachers are supportive – they look after us; talk through things and help when we don't get it; make things clearer if we don't understand; they ask what part needs reexplaining and say it again with further detail; we can ask them for help and they'll help us individually
- Postcards home help us know when we've done something well
- We can share our worries with adults

What could we improve or do better?

Children couldn't think of anything – ST asked them to come to the next meeting having talked to their class about idea.

### **Agenda Item 2: Wet play boxes**
