Dear families,

We would like to welcome you to our first Parent and Staff Consultation Evening on Wednesday 23rd October 2024. This will run from 2:30 – 7:00pm for classes Rigil & Canopus and from 3:30-7:00pm for all other classes.

This year, all appointments will take place in the school hall. Appointments will be available to book via the following link from 1:00pm on Tuesday 8th October: [SchoolCloud - High Bank Junior Infant & Nursery](#)

Please arrive no longer than ten minutes before your appointment time as waiting space will be limited. Each appointment is eight minutes long, so please do ensure you keep to time to avoid any lengthy delays. If you require a longer or further conversation with your child's teacher, please make another appointment to meet them separately.

Due to space constraints, we will be unable to provide any additional activities but will have coffee and tea facilities available.

We look forward to seeing you there to discuss your child's progress so far this year.

Kind regards,

Sarah Tai
