Hightown
Liversedge
WF15 8LD

Dear parents,

Firstly, many apologies for the lateness of this message. Once again, schools are faced with very last minute announcements so please bear with us, we are doing the very best we can.

School will be closed tomorrow; but remote learning will take place. This will allow senior leaders in school to make the necessary arrangements for your child/children. School will open from Wednesday but **only** to key workers and vulnerable children. If you are a key worker, there will be an online form to complete which will go online in the morning. We ask that you complete this by 10 am tomorrow so that we can make the necessary arrangements for your child. Vulnerable children will be contacted in the morning. For all other pupils, remote learning is in place on the school website, this is in the classes section.

We will of course keep you regularly updated tomorrow.

Please use the facebook book messenger or email head@highbankschool.co.uk for any urgent enquiries.

Take care and stay safe.

Mrs K Chubb
