YEAR 2 PARENTS

Firstly, I would like to thank you all for your support with remote learning over the past few weeks. We know that this is not easy but you are all doing a fantastic job of supporting your child.

I wanted to update you of a few changes. As you know, Miss Thomas has been doing additional live sessions with the year 2 children. From Monday, Miss Thomas will start her maternity leave so she will not be doing live sessions. Please be assured that we will still continue to ensure that you have high quality teaching whether this be live or pre-recorded. Remote learning is not about live sessions all day and at High Bank we have always felt that the best thing for our children is the blended learning approach. This combines face to face sessions with online educational materials that the children can access, it also gives you and your child more flexibility. You will still have your live phonics session and live session with Miss Ayers and you will have white Rose teaching video clips for Maths as well as Oak Academy, which the Government set up.

Many thanks for your continued support, we are working really hard to make sure that remote learning is working for our children and families.

Kind Regards

Mrs K Chubb

Headteacher
