

Year 6	Topic Spirit of the Titanic	Spring 1	History and Geography
--------	-----------------------------	----------	-----------------------

I Will Know.

What maiden voyage means?
 How and why the Titanic sank so quickly.
 Why were there so many fatalities.
 How did people manage to survive and live to 'tell the tale'

Prior Learning and Links

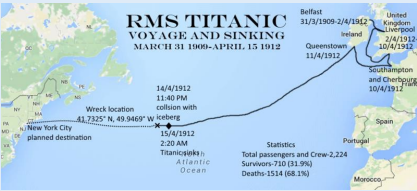

I will use my prior skills:
 Research using books and the internet.
 Comprehension of different text types.
 Analysing different sources of historical evidence.
 I will link to
 Other disasters I have learnt about for example, in the Extreme Earth topic (2004 Tsunami)

Key Learning

Key Questions:

Why was the RMS Titanic so significant?
 Where did it set sail from and where was its destination?
 Who built the Titanic?
 Who was travelling on the Titanic and why?
 Which social classes were on board and what was life like for them?
 When and why did it sink?
 How do we know what happened on board when it sank?
 Why were there so many fatalities on the 'unsinkable' Titanic?
 How did the sinking of the Titanic affect future events?

RMS TITANIC VOYAGE AND SINKING
 MARCH 31 - APRIL 15 1912

Map details: Belfast 31/3/1909-2/4/1912; Liverpool 2/4/1912; Southampton and Cherbourg 10/4/1912; Queenstown 11/4/1912; Wreck location 41° 23' N, 49° 54' W; New York City planned destination; Collision with iceberg 14/4/1912 11:40 PM; Sinking 15/4/1912 2:20 AM; Statistics: Total passengers and crew 2,224; Survivors 710 (31.9%); Deaths 1,514 (68.1%).
