Please read the letter sent home with your child(ren) today regarding our residential trip to Robin Wood.

Mental Health Awareness Week 10th -16th May

This year the campaign focuses on nature as studies show that connecting with nature can have a positive mental impact on our health. In order to encourage the children to get active and connect with nature Mrs Chubb will provide each class with a nature related task to complete throughout the week. **On Friday 14th May we will then get active by showcasing our skipping skills. High Bank children may come to school in their sports wear. Please provide your child with a silver donation to help support local mental health charities.**
