Happy half term!

Stay safe and have fun.

All Parents/Carers

Please check your child's book bag for a letter sent home today for information on how to report COVID-19 symptoms/cases during half term.

Please bear in mind lateral flow tests are for those who are Asymptomatic. Around 1 in 3 people with COVID-19 do not have symptoms. Rapid lateral flow tests help to find cases in people who may have no symptoms but are still infectious and can give the virus to others

If your child or a member of your household start to display any of the key symptoms please isolate your entire household and book a PCR test. Call 119 or visit: www.nhs.uk/coronavirus to arrange a test for the symptomatic person. The PCR test will provide the most accurate result within 1-3 days.

Please notify school if your child or a member of your household is being tested or waiting for results.

The government have announced that surge testing and increased vaccinations will take place within Kirklees due to the rising number of cases. There is some information on the school Facebook & Twitter site about this.

Please remain vigilant, it is important that we are cautious to help stop the spread of the virus and to avoid any bubble closures. Please continue to follow our one-way system and wear a mask when dropping off and collecting your child(ren). Thank you for your cooperation.
