Frozen Friday

Thank you to all who purchased a lolly/ice cream. Order forms will be sent out again on Tuesday next week, Please return your order form and money by Thursday to avoid disappointment.

Please bear in mind **lateral flow tests** are for those who are **Asymptomatic**. Around 1 in 3 people with COVID-19 do not have symptoms. Rapid lateral flow tests help to find cases in people who may have no symptoms but are still infectious and can give the virus to others

If your child or a member of your household start to display any of the key symptoms please isolate your entire household and book a **PCR test**. Call 119 or visit: www.nhs.uk/coronavirus to arrange a test for the symptomatic person. The PCR test will provide the most accurate result within 1-3 days.

Please notify school if your child or a member of your household is being tested or waiting for results.

Please remain vigilant, it is important that we are cautious to help stop the spread of the virus and to avoid any bubble closures. Please continue to follow our one-way system and wear a mask when dropping off and collecting your child(ren). Thank you for your cooperation.

Surge testing was completed in Kirklees on Tuesday 22nd June.

Should you require a PCR test walk in tests are available if there is capacity at these testing sites.
