

# Every Day Counts

## Why Attendance Is So Important

100%  
attendance

No days of  
learning missed

Excellent! Keep  
up the good work

79% of children who have attended school regularly will achieve the expected standard or above in English and Maths SATs

95% attendance

You have missed 9  
days of learning each  
school year

Good - average  
Minor improvement  
needed

55 – 63% of children with 95% attendance will achieve the expected standard or above in English and Maths SATs

Below 90%  
attendance

You have missed 19  
days of learning each  
school year

Concerns  
Major improvement  
needed

Only 44% of children who are persistent absentees will achieve the expected standard or above in English and Maths SATs
