Training and Support

- Staff meetings linked to One Page Profiles, MSPs, Provisions Maps, First Quality teaching, and understanding the graduated approach
- All staff members are Team Teach trained.
- The SENDco has achieved the National SENDco Award
- The Well-Being Lead has completing Mental Health First Aid Training and this is now being disseminated to all staff
- The SEND lead has accessed Kirklees SENDco network meetings and pyramid ANP meetings
- Foundation Stage support staff are ELKLAN trained
- Key Workers with 1:1 children work closely with professionals from different agencies to complete the recommendations and programmes set.
- The Nursery Nurse has completed Portage Teacher Training

Provisions Maps and Parents/Carers

- Provision Maps are reviewed and updated termly by teachers.
- One Page Profiles and My Support Plans are reviewed termly and parents/teachers meetings are undertaken to review the targets set.
- Education, Health Care plans are review annually by a range of professionals involved with the child and parents/carers. Pupil passports are also in place for these children and reviewed termly.

At High Bank we follow Kirklees guidance and systems of support for children with Special Educational Needs and Disabilities

External Agencies:

The SENDco and appropriate school staff have worked with external agencies to maximise the support that can be given for both children and staff from Kirklees LA
External agencies include:

- Educational Psychologist
- Speech and Language Therapy
- Autism Outreach
- PORTEX/EYFSEND
- Visual and Hearing impairment Team
- Primary Pupil Referral Service
- CAMHS/CHEWS
- School Nurse

Priorities 2023/2024

- To ensure all pupils access High Quality First Teaching complemented by high quality small group and 1:1 interventions.
- To enhance all staff's knowledge of ASD and Non-verbal communication
