### Thoughts for the weekend

A moment to remember the people who make our life special in so many different ways.

Friday afternoon saw our children and extended High Bank family come together for our annual

"Special Person's afternoon Tea"

It was lovely to see so many parents and carers attend the event and the children were all delighted to perform for their grown ups.

All parents/carers are kindly reminded to check their child's hair regularly for signs of headlice.

Head lice can be difficult to spot, even when the head is closely inspected, they're very small whitish or grey-brown insects that range from the size of a pinhead to the size of a sesame seed.
