Dear Parents/Carers,

It is customary for our Year 6 to attend a national cycle training project called Bikeability, which helps make children better cyclists, build confidence, as well as to help them think independently.

This year the project will run at High Bank School on Monday 11th and Tuesday 12th February 2019.

Your child will need to bring their own bike and helmet. If you need to borrow either of these please state this on the form. Please also ensure that your child has their outdoor PE kit in school.

Please find attached a consent form (which also provides further information) which will need to be signed and sent back to school as soon as possible.

Kind regards

Mrs K Chubb

Headteacher
