Dear Parents/Carers

We are pleased to say that our school is going to be involved in the Future Fashion Challenge which is part of the Woven Textile Festival in Kirklees. We are really lucky to have an artist, Jess Grady, who will be coming into school to work with the children as part of this.

The aim of the challenge is to design and make items of clothing and accessories that the children think will be the fashion of the future. As a school we are wanting to make our creations eco-friendly so will be upcycling and recycling old items! It is an excellent opportunity for the children to work with an artist and to build on their design and technology skills in textiles.

The challenge will end with a fashion show on Saturday 15 June at the University of Huddersfield. It is really exciting as our children will have the opportunity to take part in a fashion show to showcase their creations. We enclose a permission slip and further information to attend the fashion show.

Kind regards

Mrs K Chubb
