

School Development Plan 2018 - 2019

High Bank Junior, Infant and Nursery School

The School Development Plan

The School Development Plan enables the school's vision to be shared and understood by the whole school community. Our aim is to work together as a community in order to improve and be the best we can be. The School Development Plan should give everyone an understanding of where the school is going and what actions will be taken to ensure we get there. We set clear timetables for implementation and determine how to effectively use both human and material resources to support specific goals. It also helps us plan and prioritise our budget and guides how we plan and organise staff training. The School Development Plan is designed to give sharp, clear focus to those aspects of our work which we believe are most in need of improvement.
